

Director for Youth and Family Ministries

Holy Spirit Lutheran Church in Juno Beach (Jupiter/West Palm Beach) seeks a compassionate leader to direct and guide the discipleship ministry of our Middle and Senior High School students. HSLC is an ELCA congregation known for its dynamic youth ministries. COVID and staff transitions have created an opportunity to grow and re-imagine what a dynamic youth ministry looks like.

Holy Spirit Lutheran Church's ministry varies seasonally. For the first four months of the year and the last four months of the year, we offer three worship opportunities and worship over three-hundred on a Sunday. During the year's balance, there are two worship services with approximately one-hundred-seventy-five in attendance. Our community comprises around five hundred persons on the membership role with at least two hundred seasonal guests who have been attending for years. Youth ministry follows the school year with regular weekly and Sunday gatherings in the first four and last four months of the year. The summer youth ministry season is comprised of mission and service trips, camp experiences, and monthly events.

To grow the ministry, HSLC needs a visionary leader to craft a new discipleship experience across all ages, to administer the strategy effectively, and to be skilled in personal relationship building with both students and their families. Volunteer development will be a key component to the success of this leader.
