

Funding Guidelines Michael Peeler/Virginia Casey Funds

The Michael Peeler Fund was established in 1955 under the will of Michael Peeler, a Salisbury businessman and member of St. John's, Salisbury. The income gifted to the North Carolina Lutheran Synod was "to be used by the synod each year wherever it is needed most for the advancement of the Kingdom of God."

The Virginia Casey Fund was established in 2007 by a gift from the trust of Virginia W. Casey. Mrs. Casey was a native of Davie County and member of Gloria Dei, Salisbury. She served the North Carolina Synod as secretary to former bishops George Whittecar and Ernest Misenheimer. Mrs. Casey asked that the gift to the North Carolina Lutheran Synod "be used to glorify God and promote the work of the Church," with an emphasis on identifying and equipping leaders; and reaching out to share the Gospel of Jesus Christ in a changing world.

The investments are managed by trustees elected by Synod Council and are held, along with other long-term endowments, by the North Carolina Synod Foundation.

Synod Council uses a grant process that includes recommendations from its Peeler/Casey Committee to distribute these funds, giving priority to proposals that consider the Synod Council's mission and vision:

CORE VALUES: Christ-Centered, Generosity, Relationship, Reconciliation
