North Carolina Synod ELCA

Christ-Centered Generosity Relationship Reconciliation

What is the NC Synod?

In ministry together since 1803, the North Carolina Synod is one of 65 synods in the Evangelical Lutheran Church in America (ELCA). The North Carolina Synod is a joint ministry of 185 churches because of all of the things that we can do together that we can't do by ourselves.

What is the purpose?

As the North Carolina Synod, we are called by God to

- cultivate & celebrate vital congregations;
- identify, equip, and nurture whole & healthy leaders;
- embrace & engage in collaboration; and
- proclaim the promise of the resurrection with a prophetic voice

...all for the sake of the world.

What is the office of the Bishop?

The synod is guided by an elected bishop and a synod council comprised of ordained and lay members. Together, they oversee the ministry of the synod's congregations and rostered ministers (pastors and deacons). The bishop and staff in the office of the bishop provide support to congregations and leaders.
